

REMARKS

In the Examiner's recent action the Examiner noted that claim 11 had been erroneously cancelled, but was now being included by the addition of new claim 43. In view of the amendment by the Examiner, it was noted that claims 24 and 25 did not incorporate appropriate dependency. Thus, applicant attaches herewith at page 2 revised claims 24 and 25 corrected to conform with the action by the Examiner of June 23, 2005. Specifically, claims 24 and 25 have been made dependent upon Claims 1-10 and 12-23. Entry of this amendment is respectfully requested.

Respectfully submitted,
